“ It was a joy to have Jon play golf with his dad and other Hellmanns at this outing in the past. Unfortunately it was the last time I got to talk with him. Great relative who lived an exciting life over the years.

“ I am so incredibly saddened to hear of this news. Whenever I had interactions with Jon he was always such a soft light and kind soul. His love of animals and friendship he gave to others was extremely endearing. My deepest sympathies to his family, please lean on those that you need at this time. Lots of love and healing to all those that loved him. The good memories will eventually outweigh the sadness, it takes time. Thank you Jon for the blessings of wonderful conversations over the years. You will be deeply missed.
