“ Aunt Toddy was a beautiful lady I loved dearly. After my mother passed (Margret L. Amborn (Lent) in 2004. Aunt Toddy became my substitutive mother. She loved to call and chat for hours. It was a wonderful way to reminisce about our times we had on their farm, and especially in regards to my Dad John T. Amborn who past in 1994. Our phone calls were special. It was a good way to spend some time together. She always remembered my birthdays and anniversaries. She would send a beautiful bible verse with the card. We sheared many pleasant moments. I will miss her deeply. Love you Aunt Toddy.

“ Aunt Toddy was my faith supporter, she would send my Bible verses for our birthdays and anniversary. She so wanted to be with Aunt Karen and we would share stories of faith and how her and her cat loved to watch WHEEL. At Christmas I sent Flowers to celebrate her birthday and Christmas but they froze. FTD made them right and resent them too. Aunt Toddy you will be missed love you, please tell them up there we say hello!
