“ *I remember when Aunt Cecile received her RN degree. My mom was proud of her baby sister and we knew it was a really big deal. We looked forward to the 4th of July picnics at Fox Lake filled with swimming, running around, good food, and lots of laughter.*

“ I have very fond memories of our visits to the house on Fox Lake. Aunt Cecile was always very welcoming. We always had a great time. The fondest memory was of the time I took the train by myself to Fox Lake to stay for a few days. It was a real adventure.

“RIP Aunt Cecile! I have a lot of memories that I will cherish forever. I will share a few forever memories here.

My forever memory of your family is spending fourth of July's at your house when we were growing up. It was a blast, playing with all of our cousins and swimming in Fox Lake. And trying to stay off the neighbors' (invisible) property line.

I have a few forever memories of spending a week here and there at your house. Once in the winter when I was not feeling well and ended up sick in the middle of the night. You took great care of me! Another time was in the summer when you, me and Kerry went out on a "picnic" on the sunflower sailboat in the middle of the lake. That was a lot of fun! Another forever memory and the last one I will share, is ingrained into my memory because it has scarred me for life LOL. We all went to the rodeo! When we were watching the bull riding, the rider fell off and the bull stomped on his face. He was taken away in an ambulance and I'm sure recovered from the injury. However, I will never go to another bull riding event again.

Growing up in the Engels family had some really fun moments. Aunts and Uncles laughing and talking really loud at family gatherings. Cousins running every which way and hanging out in our little groups (mostly by age). Lots of shenanigans and horseplay going on.

Aunt Cecile, you are the last of the aunts and uncles to go to heaven. An end of an era for us cousins. Reunited with Uncle Joe, your mom, dad and siblings.

Love, Nancy

p.s. We are sending peaceful and positive feelings to Joe, Kerry and their families.
