“ I am so sorry,all of you, for Bud’s struggle with illness and for his loss in your lives. I always think of him just having a little fun with life. A good man. I have a chuckle whenever I go to Walmart though I never have as much fun as he did. Hugs to you all.

“ *Anita and girls, I am so sorry to hear of Bud's passing. So many wonderful memories of our friendship together, your house on the farm pops into my mind, Bud spitting his tooth into Mr. Hucker's hand in English class, and his trick or treating the entire block on his bicycle. What a terrific man he was. He and George may be raising cain together again. My most sincere sympathy to all of you--Kathy in Arizona*
