“ Dear Dan and family, I'm one of those people who cruise the local funeral homes' obituaries to see who I may know. Still being in Lake Geneva I occasionally go to the Ehorn Adam's site and I came across you father's name. I know he passed awhile ago but the Boezio name stuck in my head. I remember you so well as a student at Star Center in Pell Lake along with your sisters. I'm sorry for your loss but hope all is well with the rest of the family. I left Star Center in 1994 to start a radio station in Lake Geneva. My wife Barb, three grown daughters and five grandchildren are well. Dan, you were a fine young man then as I am sure you are now. Be well, sincerely Tom Kwiatkowski.
