“ The last time I saw Daniel was when I retired and he give me a hug and wished me a happy retirement. I remember the times he came in my office, and we talked about a lot of different things. Daniel heart was big and he helped all his fellow operators. Daniel had a great laugh and it will be missed.

“ *Dan's brother Brian was married to my late sister Kim. That's when I first met him. Then he came to work at Filtertek in Hebron where I also work. He was always nice and a hard worker and didn't mind it if I wasn't as fast on certain jobs when giving breaks 😊 His nephews and nieces really enjoyed their Uncle Dan even if they didn't get to see him a lot. We're very sorry for the Monheim family and send prayers to all.*
