“ *I have known Dan for approximately 35 years, as we worked together at Handy and Harmon, along with my wife. He attended our wedding and also talked me into testing to become a police officer, of which I enjoyed a 30 year career. Dan stopped by many times as I was working, and it was always a joy to talk with him. He will be missed and may he rest in peace. Wes & Mary Schulz*

“ I have known Dan since we were 5 years old. We were next door neighbors and very good friends. We hung around with the same group of people and all of us would get together at night for parties, etc. I am very fortunate to have known Dan. He was the kindest person and did have not a mean bone in his body. We have kept in touch ever since we both graduated high school with occasional phone calls, occasional dinners with each other, me visiting him at Contract Builders Hardware a few times, etc. I even stopped in at the Richmond Police Department once before he went on duty. It was neat to see him all decked up in his police uniform. I will miss you Dan very much!!!
