This man was my abuser when I was a child. Perhaps this will be deleted because it's disrespectful, but so was the abuse so many of us suffered at his hand. I've waited 40 years to see this obituary and I WON'T BE SILENCED. Who cleaned out his house? He ALWAYS took pictures of and videotaped his abuse. Praise God for finally stopping him!!

Thank you Shanda. I was hesitant to say anything but he did the same to me for years at Transfiguration in Wauconda. I hope everyone feels comfortable enough now to say something.
