“ Aunt Betty, Barb, Wayne, Chuck, De and Mike,
So sorry to hear of my Uncle Ed's passing. My memories are of a fun Great Uncle who always made me feel welcome. He had time to talk, joke and just have a friendly chat. Last time I saw him we went out for Friday night fish in Richmond. It was a memorable dinner. He was also the first and last person I ever saw take a spoonful of butter and eat it without the benefit of bread. Maybe that is the key to a long life. Thank you Aunt Betty for the many times I stayed at your place and the cherished memories I have of spending time in your home with you and Uncle Ed. May God Almighty bring you peace and may good memories to sustain you at this time. You always came to so many events in my life I deeply regret I cannot be there for the funeral. I am in Malaysia right now, so cannot come home, but will keep you in my prayers. With Love to all of you,
Dan Brink

So many wonderful memories that will ease my heart as I say good-bye to my Great Uncle Eddie! He always took time to talk with me and shared his favorite jokes and great smile. I can so picture him sitting in his favorite chair, beer in hand, surrounded by friends and neighbors. Like Dan, I remember spending a week with Aunt Betty and Uncle Eddie during the summer. Something I always looked forward to. A special Thank You to you, Uncle Eddie, and all of my Waspi Great Uncles for your service to our country! I have always been very proud of you for what you gave up for us during a very difficult time. To Aunt Betty and the rest of the family, please know my love and prayers are with you. God Bless you all.
