“ I was a part-time caregiver for Fred for the past 7 months, he and I established a friendship during this time. We had respect for one another. I enjoyed hearing Fred's stories about his younger years and to see him light up when talking about his old classic cars. He often spoke of how greatful he was to have Gary and Samantha in his home caring for him, and how he couldn't make it without them. Even if he didn't show it or tell them often he told me. Over the past 7 months I seen Fred starting to weaken it was sad to see, I believe Fred is resting in peace. He left behind a beautiful wife Nancy with an amazing spirt and a heart of gold. I feel honored to be a part of The Carroll's life if only for a short time!
