“ Our Sister

*What Gail means to us.
G is for a generous gem.
A is for an adorable angel.
I is for invaluable and independent.
L is for loving.*

Gail is the most strong and selfless person I have ever known. These past few weeks she was addressed as Zena the warrior princess. Roger gave her this name several years ago and she sure lived up to it. What she had to endure was unimaginable and yet she was still concerned about everyone else. Apologizing for the fact that we had to take care of her. We all told her that we were doing exactly what she would have done for us if the roles were reversed. That is what a loving family does, take care of each other no matter what.

The strength and courage of our amazing sister was a tribute to our parents as well. The laughter we shared was also our parents shining through her. I will hold every moment, good or bad, in my heart and cherish them for as long as I live. May she be happy and share her loving self with our family in heaven. She will be our guardian angel now and forever.
