“ *What can I say about you grandma. You were one of the most loving and understanding of people who made an impact in my life. I know my brother and I weren't the easiest to watch when we were younger and that is why you had to retire that old paddle of yours. When it busted across my behind. You will truly be missed but never forgotten. This is not a goodbye by any means. But it is a big see you later as you fly with the angels. My heart is a little empty because I will not hear your laughter anymore. Grandpa hear she comes and just for old times sake I have to say the words she loved to say to you in the most loving of ways. Rudy you asshole. I miss you both so much, and I will see you all soon just not yet. I have to much hell to raise yet.*
