“ Kim, Harlan, Tim, and Kevin -

I am saddened by the news of your fathers passing. Let us never forget the qualities which he embodied that we came to love nor for the fond memories we shared with him. For me, it was the smiles and laughed shared, usually after him explaining to me his newest brain teaser that had left me puzzled beyond belief when I was little. I know how to balance six nails on one because of "Grandpa Butch;" something I will remember forever. I believe I speak for all when I say this, I think we are all better off having been blessed with the opportunity of spending time with Harlan Fleece, Sr. May your own memories of him bring smiles to your faces in celebrating a life fulfilled.

“ Dear Butch, Kim, Tim, Kevin and the rest of the Fleece family –

I'm deeply sorry to hear about your loss. Your dad, who my brother and I referred to as "Grandpa Butch", was a great man who I will always remember for his sense of humor and smile. I remember our wonderful trips with Butch down to Arkansas as a kid where Grandpa Butch made sure our trips were filled with fun activities (fishing, shooting BB guns, tractor riding around the property, and his iron puzzles). May your hearts soon be filled with wonderful memories of joyful times together as you celebrate a life well lived.
