“ *Molly and Family, Mick was such a wonderful man. He was a true gentleman, always patient and kind. He might not have said much, but he listened and he “knew” all of us. We are so thankful to have shared memories with him and will always treasure those times. We will miss him, and when I see or eat a cookie, I will think of him. Love, hugs, and prayers for all of you!*

“ *Molly and family, my heart hurts for all of you. Mick was such a gentle soul. He didn't say much in words but his love for all of you was said in his actions. He, as all of you, welcomed us in your family and we are so grateful. Sending all of you our love, prayers, and hugs. (Mick, please don't talk so much up there. Lol) Love you.*
