“ *So sorry to here about the passing of Jeff. For years, we were next door neighbors to his Grandma Lange. I also remember when he worked at Watlow Gordon. I worked there too, for about 11 years. We worked in the same department, and I can still remember Jeff's first day there. I was introduced to him, by my supervisor, and we shook hands and laughed, and at the same time, we said, "I know you!" We had a few laughs at work. He told me about some of the fun times that he had at Alden Hebron High School. I went to the same school, but I was 5 years younger. He was always so nice and polite to everyone at work, too. Our thoughts and prayers are with you and your family. Pam Larson & David O'Driscoll of Lawrenceburg, Tennessee.*
