“ Jeff was one of the kindest and wisest man I met during my career at General Motors! We shared mutual colleagues in the industry! Jeff was quick to share a memory, lesson or funny story! He was a late life mentor and helped me navigate discussions around chassis product! No one could make a tie rod or control arm sound more glamorous. We shared a mutual fondness of the dear late Joe Arbogast which is where I'm sure Jeff connected on classic cars! He is missed dearly and my heart hurts for Peggy and his family who he loved dearly! RIP you legend! Sincerely and respectfully, Janet Johnson

“ It is with great sorrow and heavy heart knowing of Jeff's passing. He was a Wonderful Person, Loving Husband, Father, Grandfather, Great Grandfather & Friend to all. He will be missed but never forgotten. On a personal note I had the pleasurable opportunity to know him for over 30 years. We shared many great times together discussing both life and business. In business, we traveled to the far reaches of the globe, always engaging and enjoying whatever challenges that were presented. He was a great friend always there to assist and provide insight in anyway possible. I will dearly miss his wisdom, humor and humanity. He will remain in all of our hearts and minds forever.
