“ *Mrs. Skiermanski wasn't Girl Scout leader in the 80's. I had so much fun when she was my leader. She was also my next door neighbor when I was in high school. She was a wonderful lady!*

“ *I heard of Mrs Skiermanski's passing and I was so sad . I have treasured and will always have it in my heart, the time that I was just 9yrs old and asked her to dance with me at one of the many church events. With her beautiful smile, she said yes. It was the Polka and we danced and laugh the entire dance. Each event that we attended, it was our thing to have a dance with each other.*

I will miss my friend Mrs Skiermanski

“ We heard of our friend Joan's passing, and we were sadden of the news. Joan was so full of life and had a positive spirit and glow all the time. She loved her faith and always shared words of spirituality to myself and my kids and we will missed that. Although our family moved away, we kept in touch via phone, email and though cards. She will truly be missed but never forgotten. Our deepest Condolences to Sue and Family.

Love,
Dolores & Howard Whatmore

“ I was truly sadden to hear of the passing of Joan. She was a grand lady of style and grace. Her smile was illuminating along with her energy of giving. I met her a couple of times during my visit with my sister Dolores. Joan and I stayed in touch over the many years. I will miss receiving her Christmas cards and words of encouragement. My condolences and prayers to the Skiermanski family.
