“ *I will miss you dearly Joe... i will always remember our talks and the smell of the house when you smoked your pipe..All the good times i had with you and Ellie and your family at the house as a child. Tons of awesome memories are going through my head right now..... Such as you and Grandpa Stilling playing cards, and me serving you and your friends drinks and popcorn. Sleepovers and playing the organ and someone pushing me around in the hamper...LoL. Sitting on your lap watching tv...or you reading stories to me... You and Grandpa Stilling get to have a beer and go bowling in heaven... My condolences to your family in their time of loss.*

Love, Leena
