“ Karen was such an asset to her co-workers at Watlow that she will always be missed. I miss her high standards for the quality of work she produced. I miss her competence. I miss Karen's sly sense of humor about the day-to-day crises she had to work through somehow.

Most of all I miss the way Karen would say, "OK, chickie, see you later."

I'll never forget you Karen. So strong, so funny, so gorgeous. Shine on you crazy diamond...

“ *My heart aches for all sides of the family , my first memory of her was Fourth of July 2005, she was very easy to get along with but you knew right away she was the boss lady! She handled business like I've never seen and with a little getting use to bumping are hard stubborn heads, I knew in someway she and the kirks would be in my life someway forever. She will be so missed, love you Boss lady.*
