“ *Margie was our loving neighbor/friend/surrogate mother for 20 years. To our twins, Gianna and Liam, she was Margie Grandma. She was there for my husband Jerry and I when we each lost our mothers. She spoiled our dogs so much that when they ran away one day, they ran back to HER house, not ours. Our son who was 3 at the time, climbed the fence and knocked on her patio door because he wanted cookies and knew she ALWAYS had some for him and his sister. So many memories, all good, all happy. We love you and miss you with all our hearts! Jerry, Gina, Gianna and Liam Greenhill*

She loved your sweet babies! She would always update me on their funny antics whenever I called. I'm so grateful she had such a wonderful family to call her friends.

Mary, Margie shared so many stories about the two of you. It sounds like you were two of a kind. I especially remember the stories about going to see (and meet) Perry Como. She loved you dearly. I'm sorry for your loss.
