“ *Aunt Molly always brought a smile and a soothing voice to all who knew her, especially to her family members. Her presence at any event brought a calmness & a warmth that defined being home. Her patience & willingness to teach Danielle to sew last summer was something Danielle will always cherish & feel fortunate that she was able to share with Aunt Molly.*

Remembering you is easy, I will do it everyday. Missing you will be a heartache, that never goes away. I believe that stars are openings in the sky where our Loved Ones shine down to let us know they are happy.

I'm so sorry I cant be there today but I will celebrate you & Mick everyday & when I see the stars at night.

Hugs to everyone.
