“ *Nancy was a lovely gracious lady. I enjoyed visiting with her about her life, family and our mutual connections to PEO during a visit to Wisconsin. On my return to Idaho, she sent me a wonderful story of one of her PEO sisters who had been a nurse in England and France during World War II. I was very moved by her friendliness to me and will cherish her memory.*

“ *To Nancy's family--I will always remember Nancy's trips to Florida and the fun we shared while she was here with Ray and later with Joyce Wilson. Ray and my husband, Steve, were in the same class at the Naval Academy so there were many good memories to share. She was always a very kind and sweet friend--she will be missed.*

Nancy was indeed a special woman who I got to know through PEO. In the last 6 weeks, we have had good long conversations about friendships and life in general. She had me call her good friend Jackie in Phoenix this past winter who seemed every bit as nice and kind as Nancy. I certainly will miss my wonderful friend. LIPEO, Jan Hardy

Nancy was a close friend of my mother-in-law. She hosted my bridal shower when they lived in the Victorian house on Main Street. It was very special. She was always so happy and smiling.

I also drive a ford f-450 dually and I would honk at her when she was walking and she never knew who it was!! It made me laugh when I would tell her it was me.

And when they had the tree farm we always went there to get our tree. Kristin would be making wreaths.

Happy I was able to know this family.
