“ *Nick, you were always a great man a man who always knew how to have fun and get the job done! You have made a significant impact not only on my life but the other Marines around you as well! You embodied the Marine Corps spirit, and you even almost convinced me to get a Moto tattoo. Your character was above approach. Although you and I were in different units, I am so blessed that I was able to meet you and get to know you! Fairwinds and following seas brother! I will never forget you!*

“ Nick will leave a void that can never be filled. I have never met anyone so thoughtful, caring and joyful. His personality was magnetic. I will miss my insomnia text buddy...he always made me feel less alone and he'd always make me laugh. I will miss Nick so much. My thoughts and prayers are with the family. Watch over us Nick.
