“ You sure had alot of draft beers backing up at Cabooze from friends buying Norm a beer back in 80,s . When myself & friends would go into Cabooze, Norman would be sitting among friends. I would greet Norm & tell Steve, the owner to get Norm a beer, Steve said to me, Look at all the beer chips Norm has in front of him. Must of been like 6 or 7 chips. My reply was give him another chip. Norm just smiled & took a drink from his beer. Those were good times

“ *I so enjoyed having early morning coffee with Norm and Vera. It was years ago but still fresh in my mind. He always welcomed me and made me feel at home (maybe because I was bringing his chew and cigarillos LOL).*
