RIP Pat, my closest cousin. I will miss all the times we had since kids, overnights, sliding down that closet as kids, shopping, movies, my ear to complain to, fun at the lake house, soooo many things... You are finally with your mom and dad, Kathy and you leave a fine family whom I pray for their sorrow at this time. God Bless!!!

We were 'soul sisters' for a lot of years till illness and distance drove us apart. She was my best friend for a number of years and I wish I could have those years back. I miss you Pat, love you. Sue W

Tom and family I don't know what to say I feel just awful we are so sorry for your loss. I have missed talking to her so many great memories we shared at Trans. she was always my right hand man. Some of the best memories so many was her and I walking down Lincoln Ave and her ability to get the merchants to donate something to an event at Trans. she wouldn't take no as an answer I was horrible asking she always got something. Another memory was riding in the car with the radio blasting singing Barry Manilow at the top of our lungs. I have thought of her often during the past year and tried calling several times knew things must not of been good. Rest in peace my good friend wish we could have one more phone call together. Ken and Cathy Klasky. Please Tom give me a call one of these days.
