“ Every time my cellphone rings I think of Peter... in 1986 Pete bought a new Chevy Truck, and as a bonus he got an Oki Bag Phone. He said he'd never use it, did I want to buy it? I asked how much, and typical Pete said "get me an iron", I said what? And he replied "you know so I can iron my shirts". Little did I know that I got an \$850.00 phone for a \$25.00 iron! Still have the phone number 36 years later! I'll save the visiting nurse story for another time... rest in peace my friend...
