“ *Dear Bernadette,*

Larry and I were very sad to hear of Ralph's death. I have fond memories of our families getting together during our childhood. We always had such fun. Then in my teen years Ralph would take our church youth on hayrides.

I share in your grief, may God be a comfort to you and your entire family.

Sincerely,

Gail & Larry Dyer

“ Dear Bernadette and family, when mom told me of Ralph's accident, we were both so sad. I am very sorry for the void you will feel without him. 63 years of marriage is quite an accomplishment and a wonderful example to those who know you. Thank you for the love and friendship you have given mom and dad through the years. Your history together is amazing to hear about. You are in my thoughts and prayers as you begin your new normal. Love to all of you.

To hear the passing of your father Karen was such a shock to me, you were just talking about post hole diggers with him not to long ago. To lose a parent is so hard, but rest assured, he lived a good long life with so many memories to share with one another. Now it is time for him to be with loved ones that have been waiting for him. God Bless your family with strength and peace over these difficult times. I love you and once again, am so sorry for your loss. XOXOXO Cookie
