“ *Richard was a very good friend. We shared our lives together within the small Hebron Illinois community. We knew each other through elementary junior and high school years, MYF, our church and a mutual love of music.*

Richard was an excellent piano and organ player. I liked to sing and we would practice together often for church and school programs. We were close in our younger years.

I did try to correspond years ago trying to reconnect. I did not hear back. Missed seeing him at class reunions too.

He had a great sense of humor and was a lot of fun to be with. We went to prom together one year, and it was a blast to go with a great friend. We had deep conversations and shared many core values in our lives.

Due to our intense relationship as young people, the great thing is that he will always live on in my memories, through music primarily, and the songs we enjoyed together.

I see that his mother also very recently died. She was a very sweet woman.

My condolences go to Patty, his sister, for the great losses she has had this year.

Sincerely, Kathy (Kooistra) Benoy
