We now have 45 different types of fish. We have allot of fun shopping for new fish together. Then all the relaxing time sitting back and watching them all. We startr to learn about Breeding fish and so far it's worked for us (pretty exciting) we have 3 tanks of just baby fish we have raised, Neat Fun ! “ Rory was always quick with a smile.

It is the will of God and Nature that these mortal bodies be laid aside, when the soul is to enter into real life; 'tis rather an embrio state, a preparation for living; a man is not completely born until he be dead: Why then should we grieve that a new child is born among the immortals? ~Benjamin Franklin, 22 February 1756

“ RORY was not my best friend in high school - because we had DRIVER's ED together - and HE was a scary driver (though he said the same about me) IRONICALLY - he drove for a living later in life - and whenever I was going on one of my "adventures" on the road - RORY told me I had to call him and tell him which roads I was taking so that HE could avoid those!! tee hee - ONE time we were within 50 miles of each other somewhere in Virginia and we were going to meet for dinner - HE ended up not making it - and he was supposed to buy my dinner - HE STILL OWES ME DINNER - he was too young to die!
Sympathy for all the family - thank you Cary for letting me know!
