“ *Our thoughts and Prayers are with all of you in your sorrow. Always remember the goodness and love your mother shared with you all. She was true sweetheart!!! She always reminded me of My Mother . So loving and caring with that little laugh and BIG smile !!!! I always remember when she started at the Bank. The first week as she was getting used to the OLD and Outdated adding machines we had and the one she was using stopped working. It jammed!!! She asked me to help get it working again. I walked over to her teller window, picked up the front of the machinbe and dropped it on the counter!!!! It started working right away , but the look on dear Rosemary's face was priceless!!!! And then we both started laughing and I said that's how I repaired things at the Bank. I loved it!!!!*

We will miss both your Mom and Dad!!!

Love and prayers to all!!!!

“ *My deepest sympathy to you all. I really enjoyed all the many years that I knew both of your parents as well as you kids as we all lived on the "Northend". Many years I was fortunate to see your Mom at the bank daily as I took over the deposits for the pharmacy. They both were special people..our world needs more like them.*

The strength of your family will hold you together. I will always remember them. Sorry, I live so far away now but you all will be in my thoughts and prayers.
