“ *I am so sorry for your loss. I went to St. Joseph's school and Sandy was there too. She loved to play with the kids and certainly enjoyed all that school had to offer. She was always gentle with the little kids and Father Miller's dog, Rusty, just loved her. They would play together all the time. I don't ever remember Rusty jumping up on her but the two of them always had a good time. Knowing her was a wonderful thing and I have always thought of her a lot through the years. Cathy Schmitt*
