“ *Special people like Sandra only come around once in a great while. Cherish every memory that you have of her. She is in a better place now, looking down upon us with Dick at her side.*

“ *Sandy was like a mother to me when I was married to her son. A day didn't go by that we didn't talk on the phone or see each other! One memory I have of Sandy was how just about every Saturday morning her and Dick would show up at our house usually around 7 a.m. I would always be like "why are they here so early?" In reality I knew the answer....to see her grandchildren!!! She would do anything for her grandchildren she loved them so much!! My kids are going to miss Sandy so much.....but I know she will always be their guardian angel watching over them!! Thank you Sandy for being such a wonderful grandmother to my children...they will NEVER forget you!!!! R.I.P.*

“ Well Maw you were my best friend you did everything for me you were to the one was there for me whenever, Life is going to be so different with out you, i will always remember coming to Wisconsin and trying to figure out when will be the best time to come and see you i remember walking in to the building smelling that nasty smell thinking hey if i have to smell this to see the one person that puts a smile on my face every time i see that smiling face of yours. Hey now i would do anything to see that smile just one more time or hear your voice again. I wish you can see the woman i will become someday and meet my kids. Everyone deserves to meet just one wonderful person like you. When my kids have kids i will be just like you, the way you were to us kids. “ well I have alot of memories of her..The one that stands out to me is when she starts laughing she cant stop and cant do nothing intill she stops!! We where camping at blackhawk camp ground,,we where setting up the camper,and of course she always wants to help ,me and Amanda where trying to take out the canopy and Mom was trying to grab the canopy and it came down to fast,and she tried to move out of the way,,and she fell BAM right on the gravel!!! she started laughing and couldnt get up....I picked her up and tried to get her in the camper to make sure she was okay...but her laughing wasnt helping her to put her feet into the camper and I am swaying her around like a rag doll trying to get her to stand!!!! Everyone in the camp ground was watching!! LOL wondering what the hell is that guy doing to that lady!!!!!! She was always fun to hang out with and would give anything to anyone...Dont get me wrong she did have a temper!!!! I know that for sure!! :) I sure am going to miss her...Have fun with DAD. I will never forget you.everyday of my life you will be right next to me..... love you always your son Joe

“ Maw... Lets Just Say That There Is A Lot Of Wonderful Things To Say About Her She Was A Wonderful Grandmother!(I Just Loved Her So Much And It Was Scary To Let Go Of Her And Now Shes Gone., One Of My Favorite Memory Of Her Is That When We Went To The Mall And We Had Her In One Of The Motorized Wheel Chairs And She Just Kept Hitting Everything Around Her., And She Would Always Give Us Money, And She MADE Us Take It! She Was So Caring!(Like My Dad Says Shes Up There And Pa (Her Husband) Is Saying About Time You Got Up Here! Its So Hard Of Letting Go Of Someone You Love Dearly I Never Thought This Day Would Come! Its So Hard She Is A Strong Women SHE Told Her Self She Quit Smoking And That Last Cigarette She Smoked Is Still In The Car (She Quit 5 Years Ago) The Doctors Told Us When We Were Saying Our Good-Byes To Her, They Gave Her Morphine And She Wouldnt Even Last 2 Days It Has been Week And 2 Days! She Was Able To Call Amanda My Sister And Tell Her Happy Birthday On The 24th I Will Never Forget Her She Will Be Loved And Remembered On Friday.... Is Her Wake And It Will Be A Sad Day For Us..... She Has Lived A Wonderful 70 Years.... And I Guess It Was Time To Say Good-Bye:(I Love You Maw Ill See You Some Day I Promise Maw You Better Be Waiting Up There For Me We Will Arive Some Day!:)

“ My Aunt Sandy was such a kind, patient, woman who almost always had a smile on her face. She was a very hard working woman. She was a good wife, mother, and an OUTSTANDING grandmother. She traveled to Michigan a couple years ago with all her family and we had so much fun. Her and my cousin Joey drove all the way to Michigan for my mother's funeral through a blizzard in January 2010, and she said she would not have missed it for the world. She will surely be missed by many. OXOXOX
