“ I just found out about Tom's passing. Tom was a longtime family friend and lived with us for several years. I am no longer in the local area but do want to express my condolences to his family and especially his children. He loved his children very much and was a great father to them. He was not only a truly good person inside and out but also a hard worker and a good friend to anyone he crossed his path. He will be missed deeply. I regret not being in the area to keep in touch with Tom and his family. We often saw Tom and his family as an extension of ours. Scott, Laura and Aaron, please feel free to get in touch. My prayers are with you and the rest of his family. I am saddened by this news...The world will not be the same without a shining light like Tom in it. -rainbowties123@gmail.com
