“ *I just found this website ~ apologies for the lateness of my tribute. I had the pleasure of driving school buses with Vilma back in the late 70's and she has been my dear friend ever since. My heart is broken.*

“ *I have so many fond memories of Mrs. Duncan. She was my neighbor, my bus driver in grade school and drove my friend and I around for a project we did in high school taking pictures of the area. My thoughts and prayers to the family. She will be very missed.*
