“ *When someone you love becomes a memory, the memory becomes a treasure. Mr. Kautz is a treasured memory. All you have to do is look at his beautiful children and grandchildren...a perfect example of who he was. I'm so fortunate to have known the Kautz family through school and community activities. Please know that I'm thinking of you.*

“ My Grandpa was the most amazing man any family could of asked for and behind him there is the most amazing woman that allowed that to happen.

The most important thing in my Grandpas eyes was his Bride, family and teaching us kids the ways of the land.

I was lucky, I got to spend alot of amazing memories with my grandpa. Everyone asks what was your favorite memory with your grandfather. Tell you the truth, every minute I got to spend with my grandpa was my favorite memory! Everyday Grandpa taught me something new and made me laugh even more than the day before. Now all my Grandpa's worries and pains are gone, Grandpa is looking down on all of us and guiding us through life one obstacle after another.

Thank you so much for being our Grandfather and friend. You will forever be missed and not a day will go by where we do not think about you or reminess past memories. If everyone had the opportunity that we had with you the world would be a better place! I love you Grandpa!!

“ Our sympathies to Dorothy and family. Bill was an excellent craftsman. He and his grandson, Derrick, built a headboard and nightstand for us. The workmanship surpassed our expectations. He was a good man, who had many interesting stories to share. We will miss him.
